add \$1.00 per player more for hamburger/cheeseburger or sausage

A refundable deposit of \$200 is required for all outings.

Please confirm number of players one week in advance of the outing date. Number of players charged will be based on this number unless actual count goes higher the day of the outing.

Payment of outing fees is expected the day of the event.

Old Avalon holds liquor licenses for beer and wine. Either of these must be purchased through Old Avalon due to Ohio liquor control laws.

Golf shop discounts for golf outings: 15% off soft goods merchandise in the Old Avalon golf shop (apparel, footwear, towels, etc.); 10% off hard goods (clubs, bags, golf balls, etc.). This includes special orders as well. Some restrictions may apply on hard goods.

Grill rental is \$25.00 if needed for cooking hot dogs and hamburgers.

There is a \$40.00 charge per golf cart if additional carts need to be rented for the day. The minimum number of additional carts to be rented is 12 per agreement with our golf cart supplier. Old Avalon has 60 golf carts for 120 players.

Outings are expected to play even if cold temperatures or rainy conditions are in the forecast. If the course becomes unplayable due to weather, outing fees will be prorated. If the group that started on hole #1 has completed at least 14 holes, the event will be considered complete. If the same group has played at least 5 holes, only 9 holes will be charged which will be half of the 18-hole rate.

Any damage done to golf carts or other areas of the course/facility during the outing will be the responsibility of the outing.
